1. Thanks to Romana for this:

Vancouver USA Volkssporters and All Weather Walkers worked together to put this event on. We offered three 5K routes and one 6K route. These 4 routes gave a person the chance to walk from 5k to 21K (half marathon). We had 126 walkers. It took a lot of people to put this event on and I want to give a big Thank You to the following people. Trail Masters were Tom Baltes and Burt Paynter, each designing 2 great routes. Trail Markers were Heidi Schurr, Carol Manchester, Tom & Louise Baltes, Jean & James Ohl, Jan Breneman and Linda Barneson. Group Walk Leader for 10K walk were Tom & Louise Baltes. Registration were Michele Druschel, Mary Allen, and Cynthia Nawalinski. Start Table were Earl Bowen, James Ohl, Joan Heinz and Jan Breneman. Checkpoint & Finish were Sue Sandvig, Steve Perry, Nira Lang, Cheryl Snodgrass, Kathleen Olson, and Joe Titone. Trail Sweepers were Tom & Louise Baltes, Nira Lang, Cheryl Snodgrass, Cynthia Nawalinski, Peggy Sharp, Burt Paynter and Bob Ellis. Thank You to our wonderful volunteers. Romana Paynter & Joe Titone Co-Walk Chairpersons

Jan Breneman's Corner: A Busy June for AWW...

Beginning in June, every Thursday will see a group walk in Vancouver or Clark County. It starts on June 2 with the Historic Fort Vancouver YRE from the new start point at the Fort Vancouver Visitors Center. June 9 is a group walk featuring our new YRE at Ellsworth Springs in Vancouver. You can see the remaining schedule here in the newsletter – lots of great routes north of the Columbia River.

Have you marked June 14 on your calendar for our Annual Potluck and Officer Elections? The email invitation was sent a few weeks ago. Tom and Louise Baltes are opening their Camas home for us – and they are legendary hosts!

June 25 marks the next weekend walk that All Weather Walkers is hosting – it starts at the Pendleton Woolen Mill's parking lot in Washougal. Details are on our AWW website, AVA's website, and I'll have a printed brochure at the potluck. My schedule is filling up so fast that I don't have an open date for a Worker's Walk as I'd planned, but if you would like to preview the route, the instructions are ready and I can send you a copy.

And our summer is just beginning... there are lots walks scheduled through June and beyond, so no excuses for staying indoors, no matter what your endeavor!

10 HEEL PHRASES THAT AREN'T ABOUT HEELS

Come to heel... to obey or submit

Well-heeled... well paid, well-armed

Down at heel... shabbily dressed

Kick up one's heels... have a lively time

Lay by the heel... to arrest and subdue someone

Follow on the heels of... to follow close behind

Show a clean pair of heels... to make a sharp exit

Turn on one's heel... turn round abruptly

Cool one's heels... to wait a long time

Dig one' heels in... to be stubborn or resist a request
