President's Corner: Joe Titone

1. Our Murals walk is 9/10. I want to thank Jan Breneman and Nikki White of the Mural Society for checking the route and making great comments to improve the directions. Some of our volunteers have offered to do multiple jobs, but the club works better when a larger number of our members volunteer to do just one job. Please consider helping.

Jan Breneman's Corner: Washougal Waterfront Park

The long-awaited day has finally arrived – the Grand Opening of the Washougal Waterfront Park and Trail is just a few weeks off. On Friday afternoon, September 23, at 2 p.m., the ribbon cutting will take place and finally the public will be able to see and enjoy the new .7 mile-long path along the Columbia in Washougal.

AWW members have a vested interest in this trail – as we hope to one day make the trail part of a future walk event. It will take a connecting piece which the City of Washougal is just beginning to plan and fund. Come out and join us for the Grand Opening occasion.
